

PRIVACY STATEMENT

This privacy statement informs you about the data processing when you visit this website and perform any action proposed on the website, such as filling out a form.

We reserve the right to adjust this privacy information from time to time to ensure that it always reflects the actual and legal circumstances. Please check the data protection information regularly when visiting our website.

The processing of your data is subject to Swiss law.

DATA PROCESSING

When you visit our website, online identifiers are automatically collected, such as IP address or cookies. When you contact us, e.g. by emailing us, calling us or contacting us via the contact form, we collect the data collected from you and exchanged between us, including the marginal data of the communication. We collect and use data about your behavior and preferences to better tailor our offers to you.

PROCESSING PURPOSES

We process your data for the following purposes:

- Provision of the website
- Contract processing
- General communication with you
- Marketing and relationship management
- Improvement and development of our offer
- Analysis and optimization of the use of the website
- Security purposes
- Compliance with legal or regulatory requirements.

BASIS FOR DATA PROCESSING

Your data is processed in compliance with the Swiss Data Protection Act and, in the area of web tracking, the General Data Protection Regulation of the European Union (GDPR).

If we carry out data processing based on consent, we will inform you separately in each case, stating the relevant purposes. You can revoke consent at any time with effect for the future.

Insofar as the DSGVO applies, we process your data on the legal basis of Art. 6 (1) a) DSGVO (consent), Art. 6 (1) c) DSGVO (legal obligation) or Art. 6 (1) f) DSGVO (legitimate interests).

DISCLOSURE OF DATA TO THIRD PARTIES

For the purposes mentioned above, we also disclose your data to service providers such as IT providers or providers of tools mentioned below (see Google Services).

In addition, we also transfer data to authorities if we have a legal obligation to do so.

DATA DISCLOSURE TO FOREIGN COUNTRIES

In connection with a transfer of data to third parties, it is possible that your data will be processed not only in Switzerland. If the legal level of data protection in the corresponding recipient country does not correspond to the level of data protection in Switzerland, we will take appropriate measures to ensure that a transfer may take place, e.g. by concluding the standard contractual clauses of the European Union or that another legally provided option exists, e.g. by fulfilling a contractual obligation for you or by you giving us your consent.

DURATION OF DATA PROCESSING

In principle, data is deleted as soon as the purpose has been fulfilled and there are no longer any legal retention obligations.

DATA SECURITY AND SAFETY MEASURES

We have taken technical and organizational measures, which are regularly reviewed and adapted to technical progress, to protect your data from loss, access, misuse and alteration.

However, due to the structure of the Internet, it is possible that data may be unlawfully disclosed to third parties. However, this is not our responsibility and we have no influence on it from a technical point of view.

YOUR RIGHTS

As a data subject, you have the following rights in connection with the processing of your data that is relevant under data protection law.

Right to information about what data we store about you and how we process it.

Right to correct your data

Right to have your data deleted or restricted

Right to object to data processing

Right to data portability, i.e. to request that certain data be handed over in a common format or transferred to another data controller.

Right of appeal to a supervisory authority.

GOOGLE SERVICES

This website uses functions of the web analysis service Google Analytics. The provider is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

The following Google services are used for this website:

GOOGLE MAPS

Google Maps is used to display a map on this website with features for your convenience.

GOOGLE ANALYTICS

Google Analytics, an analytics service provided by Google LLC. Google uses cookies and online advertising techniques to analyze certain information about the behavior of individual users on the website. Based on the analyzed data, Google provides us with evaluations, but also processes data for its own purposes. We use Google Analytics only with IP anonymization enabled. This means that the IP address of users is shortened by Google within member states of the European Union or in other contracting states of the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be transmitted to a Google server in the USA and shortened there.

GOOGLE TAG MANAGER

We use the Google Tag Manager. The provider is Google Ireland Limited, Gordon House, Barrow Street, Dublin 4, Ireland.

Google Tag Manager is a tool that allows us to embed tracking or statistical tools and other technologies on our website. The Google Tag Manager itself does not create user profiles, does not store cookies and does not perform any independent analyses. It only serves to manage and play out the tools integrated via it. However, the Google Tag Manager records your IP address, which may also be transferred to Google's parent company in the United States.

The use of the Google Tag Manager is based on Art. 6 (1) lit. f DSGVO. The website operator has a legitimate interest in a quick and uncomplicated integration and management of various tools on his website. Insofar as a corresponding consent has been requested, the

processing is carried out exclusively on the basis of Art. 6 para. 1 lit. a DSGVO; the consent can be revoked at any time.

RECAPTCHA

reCAPTCHA is a service that attempts to distinguish whether a certain action on the Internet is performed by a human or by a computer program.
